

F. No. JU/OOR/Notification/2025/14

Dated: August 28, 2025

## NOTIFICATION

### Subject: Allotment of AISHE Code to Joy University

This is to inform all employees that, following our recognition by the UGC, we had immediately applied for registration under the All-India Survey on Higher Education (**AISHE**) conducted by the Ministry of Education, Government of India.

On the directions of the Hon'ble Chancellor, we are pleased to announce that Joy University has been officially allotted its unique **AISHE Code: U-1412**.

The AISHE registration will enable JU to:

1. Contribute actively to the national higher education survey and statistics, as the JU has been formally included in India's National HEIs database.
2. Ensure that our academic, research, faculty, and student data are reflected in national records under MoE, UGC, NIRF, NAAC, AISHE etc.
3. Strengthen our aim for accreditation, rankings, and recognitions.
4. The AISHE Code is a mandatory requirement for the students of our university to apply and process educational loans through the VidyaLakshmi Portal, and to avail State and Central Government financial aid, scholarships, and concessions/free-ships.
5. AISHE code also facilitates opportunities for our international collaborations, student exchange programmes, higher studies of our students abroad, and other academic mobility initiatives, thereby supporting the academic and career prospects of our students.

#### Data Submission Responsibilities

1. As per MoE directives, the Registrar will serve as the Nodal Officer for AISHE. To support institutional data compilation, Dr Ramu Samineni, (nominated vide Office Order dt. 06.08.2025) will coordinate the process, assisted by the IQAC Team, and the OOR (Compliance Cell) team.

These teams will be responsible for collecting, verifying, and submitting institutional data annually on the AISHE portal within the prescribed timelines. The Vice Chancellor will provide overall monitoring and guidance.

2. All employees—academic, administrative, and support staff—are requested to extend their full cooperation by providing accurate and timely information from their respective schools/departments/units whenever required.

This notification is issued with the approval of the Hon'ble Chancellor.
